USA Wire & Cable, Inc. Opens Branch Location in Pasadena, TX

USA Wire & Cable, Inc. (USAWC) is pleased to announce the September opening of a branch location in Pasadena, TX. Conveniently located in the Bay Area Business Park between SH 146 and IH-45, and near Beltway 8, the warehouse offers immediate access to the Port of Houston's container terminals.

USAWC will stock a portion of the 104,300 sq. ft. facility with large quantities of instrumentation cable, thermocouple wire, control and power tray cables, and 600V CLX armored cable. The Pasadena Gulf Coast location will be managed by Donnie Daniels, a Houston-area native with more than 35 years in the wire business.

The branch facility is part of a master planned industrial business park located at 9311 Bay Area Blvd. in Pasadena. The building has been LEED certified by the U.S. Green Building Council.

With headquarters in Austin, TX, and another branch in San Diego, CA, USAWC is a global distributor of electrical wire and cable with more than 250 years of combined industry experience. USAWC serves all 50 states and ships to more than 50 countries.

For more information, contact Donnie Daniels at 713-594-2350 or ddaniels@usawire-cable.com.
